Welcome to the radiant world of Velicham – your premier destination for cutting-edge LED lighting solutions that transcend the ordinary. As a trailblazing company, Velicham specializes in an expansive range of luminaires, designed to illuminate every facet of your life with brilliance and style.

Illuminate Your Space with Velicham LED Lights:

Our indoor LED lights redefine interior aesthetics, providing a harmonious blend of functionality and aesthetics. Whether you seek ambient lighting, task lighting, or accent illumination, Velicham offers a curated selection that transforms any room into a captivating haven.

Step into the great outdoors with our meticulously crafted outdoor LED lights. From pathway luminaires to garden spotlights, our outdoor collection combines durability with unmatched luminosity, ensuring your exterior spaces are bathed in the warm glow of energy-efficient brilliance.

Sustainable Brilliance with Velicham Waterproof Solar Lights:

Velicham is committed to sustainability, and our waterproof solar lights exemplify this ethos. Harness the power of the sun to illuminate your outdoor spaces, guilt-free. These eco-friendly lights are not only energy-efficient but also weather-resistant, ensuring reliability even in challenging conditions.

Studio Lights for Creative Excellence:

For the creative minds seeking the perfect lighting environment, Velicham presents its state-of-the-art studio lights. Immerse yourself in a world of vibrant colors and optimal brightness, enhancing your artistic endeavors with precision and clarity. Our studio lights are designed to meet the demands of photographers, videographers, and content creators who strive for excellence in their craft.

Elegance in Every Detail – Velicham Chandeliers:

Indulge in the epitome of sophistication with Velicham's exquisite chandeliers. Crafted with precision and artistry, our chandeliers add a timeless elegance to any space. Elevate your living room, dining area, or foyer with these statement pieces that illuminate not just the room but also your sense of style.

At Velicham, we pride ourselves on innovation, quality, and a commitment to a brighter, sustainable future. Our LED lights, whether for indoor, outdoor, studio, or decorative purposes, are a testament to our dedication to enhancing your life through exceptional illumination. Explore the Velicham catalogue and discover a world where light meets artistry, creating an ambiance that resonates with warmth, brilliance, and unparalleled style.

Ceiling Lamp.

“

Ceiling lamps (CEILING LAMP) are suitable for installation spots that are difficult to use. Recessed lamps are lamps that have been popularly used for many decades. Because the models meet the needs of a residential house, whether it's the living room, news room, or central living area.

Any size can fit, no need to drill new holes. You can change the lamp without drilling new fabric. The same channels can be inserted. This model can solve your problem because it can be installed with drill holes from 5 cm up to 16 cm. The original drill holes were square or circular and can be installed.
